

Coronation Ball '77

Saturday August 6, 1977.

Alberta Ballroom of the Chateau Lacombe
Bellamy Hill, Edmonton

H.M.I.M. EMPRESS I

I find it difficult to put in words the love and appreciation I owe the many people who helped me during my year as first Empress of the Imperial Court of Wild Roses.

It was a year of my life I will never regret and whose memories will stay with me till the end of eternity.

It is also my wish to thank those people who helped in ruling over an Empire which compares to none other.

As my last request as Empress I, I ask only that you give my successors the same deep-felt love and warm appreciation you have given me. My continued support goes to these two people and I hope yours will as well.

Once again, thank you Edmonton. I will never forget you.

Loads of Love

Millie

A Word About the Balloting

This year great effort was taken on behalf of the Imperial Court of Wild Roses to ensure that all voting was done justly.

Voting was held on July 30/77 at Club 70 and Flashback and was supervised at each place by one court member and one person not connected with the court. Each person was given a ballot upon request and was stamped to avoid double voting.

After all voting was completed at 1:00 a.m. the ballot boxes were picked up at both clubs and taken directly to the Chateau Lacombe and placed in the care of the staff of the hotel.

The sealed boxes remained in their care until tonight when the ballots were counted by three trustworthy souls. Results were not known until tonight.

We have found this system fair and reasonably accurate. We hope that everybody had a chance to vote and we would like to thank you all for showing your support of our court.
